2. Duties of EU/EEA/SWISS nationals coming to Slovakia

2.1 Residence

If an EU/EEA/Swiss national intends to stay in Slovakia for less than 119 days, he/she is obliged only to submit the notice of stay to the foreign police office **within 10 working days** since his/her arrival to Slovakia. This is usually made by the accommodation provider, if the person stays in a hotel, hostel or dormitory. If accommodated in private (e.g. in a private rented flat or at a friends' place), the EU/EEA/Swiss national is obliged to submit the notice of stay in person directly at the respective foreign police office (*list of foreign police offices* can be found on page 38).

If an EU/EEA/Swiss national intends to stay in Slovakia longer than 119 days, he/she is obliged to submit the notice of stay to the foreign police office **within 10 days** since his/her arrival to Slovakia (for the usual ways of notifying see the paragraph above). After that he/she can stay in Slovakia without any further obligations for 90 days from the entry into the Slovak Republic. After this period of 90 days is over, EU/EEA/Swiss national is obliged to apply for **registration of residence** in the Slovak Republic within next 30 days.

2.2 Employment

EU/EEA/Swiss nationals and their family members can be employed on the territory of the Slovak Republic on the same terms as Slovak nationals. An applicant has to meet an employer's requirements, e.g., required education, language skills, required work experience etc. In practice this means that EU/EEA/Swiss citizens are **not required to apply for a work permit** if they want to work legally in Slovakia.

For information related to all mobile workers from EU/EEA/Switzerland you can consult the website of EURES (information network to facilitate mobility of workers within the countries of European Union and the European Free Trade Association) www.eures.sk and <http://ec.europa.eu/eures>.

According to the regulation of the Council (EEC) No. 311/76 on compilation of foreign workers statistics, the Slovak Republic as well as other member states, is obliged to monitor the movement of workers within the Community. In the Slovak Republic, the monitoring of labour mobility is carried out on the basis of an information card for the purpose of statistical records.

Information cards

The employer fulfils the obligation to notify foreign employees by means of an Information card on commencement/termination of labour relation or secondment/termination of secondment of the EU/EEA/Swiss citizen or his/her family member to the territory of the Slovak Republic. Such Information card must be submitted to the local Labour Office for each EU/EEA/Swiss employee **within 7 days** after the EU/EEA/Swiss employee started working.

¹ Law of the National Council of the Slovak Republic no. 145/1995 Coll. on Administrative Fees, <http://www.zakonypreludi.sk/zz/1995-145> (Slovak only).

An employer is obliged to notify the employment of an EU/EEA/Swiss citizen on an Information card, in writing. **Non-observance of this obligation is considered to be a breach of the legal regulations related to employment.**

Employment relations in Slovakia are regulated by the Labour Code (Act No 311/2001 Coll.) and the Act on Employment Services (Act No 5/2004 Coll.) which can be searched for in the on-line legislation database <http://jaspi.justice.gov.sk/> (the website is in Slovak only).

3. Duties of third country nationals coming to Slovakia

3.1 Visa

When intending to apply for visa the foreign nationals are **urged to contact the territorially competent Slovak embassy/consulate general** (see page 39) **in order to receive a detailed and up-to-date information on visa requirements**, since the general information provided below may not fully cover the visa requirements applicable in the third country. Before visiting the embassy/consulate in person, contact them by telephone or e-mail and arrange an appointment if possible.

*Note: To find out whether your country is on the list of Visa countries, check the following website:
[http://ec.europa.eu/immigration/tab2.do?subSec=12&language=7\\$en#novisa](http://ec.europa.eu/immigration/tab2.do?subSec=12&language=7$en#novisa).*

You can apply for visa **at the earliest 3 months prior to your planned trip**². Under the applicable law, the visa application procedure shall not take longer than **15 days**, in exceptional cases the decision may take up to 60 days. Exemptions apply to the nationals of the countries which have signed Community-level visa facilitation agreements (*Albania, Bosnia and Herzegovina, Georgia, Macedonia, Moldova, Montenegro, the Russian Federation, Serbia, and Ukraine*). When national of these countries apply for visa, the decision should be issued **within 10 calendar days** of the delivery of a completed visa application. Nationals of Macedonia, Montenegro and Serbia don't need visa, if they are holders of biometric passports.

The validity of the granted visa or the duration of stay may be extended if the visa holder proves serious personal reasons. The applicant shall pay a fee of 30 € for the renewal. The visa is renewed for free if the holder has proven force majeure, preventing him from leaving the country before expiry of the visa, or the authorized duration of stay. Extension of visas shall take the form of a visa sticker.

3.1.1 Application for Schengen visa (Type C – short stay)

Schengen visa is a **short-stay visa** issued by all countries in the Schengen area. It is a visa with which you **can enter the 25 Schengen countries**³ for one or several visits, the duration of which **cannot**

² Chapter II, Art. 9, para. 1 of the Regulation (EC) No 810/2009 of the European parliament and the Council of 13 July 2009 establishing a Community Code on Visas, <http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2009:243:0001:0058:en:PDF>.

³ List of member and candidate countries of Schengen area is listed on the website of the European Commission's Directorate-General for Home Affairs, http://ec.europa.eu/dgs/home-affairs/what-we-do/policies/borders-and-visas/schengen/index_en.htm.

exceed 90 days in any 180 - day period. The maximum duration of a short stay was defined by EU Regulation no. 610/2013 of 26 June 2013, which entered into force on 18 October 2013, and which changed the Schengen Borders Code and the Visa Code⁴.

The date of entry will be the first day of stay in the territory of a Schengen Member State and the day of leaving is the last day of such residence. The duration of stay authorized by a residence permit is not included into the duration of a visa stay. The term "any" is applied using a period of 180 days moving backwards in relation to each day of stay (day of admission or the day of the inspection) to verify whether the condition of 90/180 days is observed. The absence from the Schengen area for a period of 90 consecutive days enables a new stay for the period of 90 days. In examining the compliance with the rule of 90/180 days under this visa, a stay in the countries that are not members of the Schengen area is disregarded (Bulgaria, Croatia, Cyprus, Ireland, Romania and United Kingdom). On the contrary a stay in the Schengen countries outside the EU - Iceland, Liechtenstein, Norway and Switzerland are taken into the account⁵. To calculate the period of stay in the territory of Schengen countries under the condition of approved 90/180 days, it is possible to use a Visa calculator⁶.

Territorial validity of the visa is specified on a visa sticker in the "Platné pre/Valid for" line. The visa may be valid for all Schengen Member States. In that case, "Valid for: Schengen countries" is specified on the visa sticker entitling its holder to move freely within the entire Schengen area for the period of the visa validity and duration of stay.

In the case of a visa with limited territorial validity, the following may be specified on the visa sticker: "Valid for: the Slovak Republic" (i.e., the visa is valid only for the Slovak Republic), or "Schengen countries - XY" (i.e., the visa is valid for all Schengen countries except XY), or "Valid for: SK, XY" (i.e., the visa is valid only for the Slovak Republic and XY).

In general, when applying for a Schengen visa, foreign nationals have to submit the following:

- ✓ filled-in form **"Application for Schengen Visa"**
(available at www.mzv.sk/en/consular_info/visa)

The application must be signed by the applicant; in case of minors or persons lacking legal capacity, the application must be signed by their legal guardian, who is required to attach a copy of the document identifying him/her as the applicant's legal guardian,

- ✓ **recent full-face colour photograph** 3x3.5 cm,
- ✓ **valid travel document;** the travel document must be valid for at least three months longer than the expected validity of the visa requested and it must have been issued within previous

⁴ Regulation (EU) No 610/2013 of the European parliament and of the council of 26 June 2013 amending Regulation (EC) No 562/2006 of the European Parliament and of the Council establishing a Community Code on the rules governing the movement of persons across borders (Schengen Borders Code), the Convention implementing the Schengen Agreement, Council Regulations (EC) No 1683/95 and (EC) No 539/2001 and Regulations (EC) No 767/2008 and (EC) No 810/2009 of the European Parliament and of the Council, <http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2013:182:0001:0018:EN:PDF>.

10 years. The document shall contain at least 2 blank pages,

- ✓ **documents demonstrating the purpose and conditions of the planned stay** (a letter of invitation, letter of award, hosting agreement etc.),
- ✓ **travel medical insurance** – the insurance must cover all costs that may arise in connection with the repatriation of the applicant to his/her home country due to health problems, urgent medical treatment, emergency hospital treatment or death. Travel insurance must be valid for all Schengen Member States and the entire length of the applicant's stay. A minimum insurance coverage of 30 000 € is required. Family members of EU or EEA nationals are exempt from the obligation of submitting travel health insurance,
- ✓ **accommodation-related documents, e.g.:**

 - other documents safeguarding funds in a convertible currency,

(No general amount of funds to cover the costs of living is prescribed, but the funds must be sufficient for the length and purpose of stay and costs of living in the final country of destination or Schengen area countries. At this moment, Slovak authorities generally operate with 56 €/person/day, hence a foreign national might be requested to proof the corresponding amount respective to the duration of his/her stay as stated in the visa at the Slovak border⁷.)

- ✓ **documents enabling an assessment of the applicant's intention to leave the territory of the EU** after the expiry of the visa applied for, e.g. means of transport – a return (not open) air/bus/train ticket,
- ✓ **other documents** – for the purposes of the visa application procedure, the embassy or consulate general may ask foreign nationals to submit other documents in order to verify the declared purpose of the visit and applicant's intention to return to his/her home country or the country of his/her residence.

3.1.2 Invitation

Foreigners may be asked to enclose to their visa application also an official **invitation validated by a police authority**. It is necessary to verify this obligation with the embassy / consulate of the Slovak Republic in your home country. The invitation can be replaced by the Hosting agreement in case of a research stay (see page 25).

Note: Invitation in the schengen visa granting procedure ≠ invitation letter (acceptance letter), in which a hosting institution agrees with the realization of a scholarship, research stay, or an invitation to an education/research event.

Application to verify an invitation may be presented by an inviting person:

- **Natural person** – Slovak citizen with permanent residence in the territory of the Slovak Republic or a foreigner with legitimate permanent or temporary stay in the territory of the Slovak Republic,
- **Legal person** – with the seat in the territory of the Slovak Republic.

A request to verify an invitation must be submitted on an official form at a police department correspondent to the inviting person's place of stay or to the seat of the inviting legal person. In addition to the inviting and invited person's data, it is necessary to enclose also other documents to the request, not older than 90 days and proving:

- **purpose of the invitation** (working relation with the invited person, organisation of a science forum, study or other education event etc.,
- **ability of the inviting person to cover all expenses related to the stay and travel of the invited person.** The financial capacity can be proved by a balance statement of a bank account in the name of the inviting person. The account balance must cumulatively be at 12-times the subsistence minimum (198,09 € until the 31.06.2014) and funds for each day of the stay in the amount of 56 €⁹.

⁹ Regulation of the Ministry of Interior of the Slovak Republic No. 499/2011 Coll. determining the amount of funds necessary to cover the costs of a third country citizen's stay on the territory of the Slovak Republic, <http://www.zakonypreludi.sk/zz/2011-499/znenie-20120101> (Slovak only).

An interview will be carried out with the inviting person concerning the relation with the invited person or the reason of the stay.

Fee¹⁰: 33 EUR for the request for a verification of an invitation

3.1.3 Application for National visa (Type D – long stay)

National (**long-stay**) visa may be issued **in relation to the granted residence permit or in connection with Slovakia's commitments under international treaties** or for the benefit of the Slovak Republic. It is issued for a **stay longer than 90 days**, at longest for a period of a year; in connection with the granting of a residence permit in the Slovak Republic is the visa issued for a period of 90 days. If the foreigner is allowed to stay longer than for a year, the national visa will be replaced before the day of expiry by a residence permit. It is allowed for long-term visa holders to travel to other Schengen member states (outside the frontier of the state who issued the visa) however the total of stays in these states cannot exceed 90 days in any 180-days period¹¹.

The possibility to apply for National visa depends upon the decision of the respective Slovak embassy/consulate abroad (see part "*Slovak embassies and consulates abroad*", page 39). Therefore, it is necessary to contact the respective embassy/consulate and get information about your specific situation.

National visa is issued under similar conditions as the Schengen visa and, in general, it is necessary to provide the same documents for an application.

Visa application fee¹²: 33 €

In case National visa is issued in connection with collection of granted residence permit in the Slovak Republic, the fee is **9.50 €**.

The fee is paid in a freely convertible currency or in a national currency of the third country, in which the application has been filed, converted using the applicable official exchange rate. No administrative fee is charged for visa application filed by a third country national who is a family member of an EU or EEA national and exercises his/her right of free movement.

Therefore if you are going to apply for temporary residence permit from Slovakia it is crucial to have all your documents needed for the residence permit application with you (see part “3.2 Temporary residence permit”, page 15), so you can obtain your permit in time. Otherwise, you will have to leave the Slovak (Schengen) territory at the day of expiry of your National visa the latest (there is no possibility of extension).

What is a Hosting agreement?

Hosting agreement is a tool facilitating **faster and easier entry procedures related to the legal stay of third country researchers** who want to carry out research and development activities in the EU.

Hosting agreement is the main supporting document representing a foundation for the temporary residence for the purpose of research and development, and its concept is built on the European legislation. The Hosting agreement is signed by the host research organisation in Slovakia (public or private) and by the third country researcher. Only research organisations approved by The Ministry of Education, Science, Research and Sport of the Slovak Republic to admit third country researchers are eligible to issue a Hosting agreement.

List of approved research organisations is published at www.vedatechnika.sk (link to the list:

www.vedatechnika.sk/SK/VedaATechnikaVSR/Stranky/Povolenie-pravnickym-osobam-vykonavajucim-vyskum-a-vyvoj-prijimat-cudzincov.aspx, then click at "Zoznam právnických osôb vykonávajúcich výskum, vývoj, ktorým bolo povolené prijímať cudzincov"; Slovak language only), or in the register of organisations In the new Information system for science and research SK CRIS www.skcrisk.sk (CRIS = Current Research Information System; in English and Slovak language), the list is available in English. It is recommended to check both resources because of distinct data updating.

If a **research organisation is not listed** among the approved institutions it can **apply for the licence** at The Ministry of Education, Science, Research and Sport. For the application procedure see www.euraxess.sk/sk/main/euraxess-pre-vyskumne-organizacie/prijimanie-cudzincov/dohoda-o-hostovani/ (in Slovak language) or the Slovak version of this brochure.

Hosting agreement has to contain the following:

- name and contact details of the third country researcher
- name and contact details of the host research organisation
- specification of the research worker's classification and working conditions
- the purpose, duration and professional focus of the research project, and the availability of the necessary financial resources for it to be carried out
- certified copy of the researcher's qualification
- declaration by the host research organisation that in case where a researcher remains illegally in the territory of the Slovak republic, the said organisation is responsible for reimbursing the costs related to his/her stay and return incurred by public funds
- declaration by the host research organisation that during his/her stay the researcher has sufficient monthly resources to meet his/her expenses and return travel costs in the minimum amount of the minimum salary. Typically, the financial resources can come from a granted scholarship, or from a concluded employment contract. For duties arising from the employment see the page 26.

The time validity of a travel document is not regarded when deciding on the period granted to the temporary residence permit.

Complete application consists of the following documents:

- ✓ filled-in **application form “Application for the temporary residence”** (available here www.minv.sk/swift_data/source/policia/hranicna_a_cudzinecka_policia/ocp/ziadosti/pobyt/ziadost_prva.pdf; or www.minv.sk/?dokumenty-na-stiahnutie-1; it has to be filled in Slovak language),

If the extract is issued in Czech language there is no need for it to be translated into Slovak,
- ✓ official document in Slovak language as a **proof of accommodation** (e. g. confirmation from your accommodation provider or a rental agreement and the letter of ownership).

None of the documents proving the purpose of stay, financial resources, accommodation and blamelessness can be older than 90 days on the day of filing the application for temporary residence

When you get your residence permit, the foreign police office will ask you to submit within 30 days from collecting the residence card a **medical certificate** that you do not suffer from any exotic disease threatening the public health. The certificate cannot be older than 30 days. It can be obtained in some *medical centres* only and the cost shall be taken into account (see page 40).

The police department shall grant the temporary residence for the purpose of special activities for the expected time of employment, but not more than **for two years**. With the view of allowing job seeking in the territory of the Slovak Republic, **remains the temporary residence permit for the purpose of employment valid for 30 days** following the termination of an employment. The procedure of cancellation of the temporary residence permit begins only after 30 days of termination of the employment (in any way). An application for a **renewal** of temporary residence files a foreigner from a third country in person on an official form to the Foreign Police Office **no later than the last day of the previous temporary stay validity.** The temporary residence permit is considered to be eligible in the territory of the Slovak Republic after its expiration until a decision on the application for the renewal of temporary residence.

3.3 Work permit – yes or no?

In general, if you would like to be employed in the territory of the Slovak Republic you have to apply (in person or by means of the future employer) for a work permit (in specific case of an international treaty/agreement that specifies that the work permit is not required, the international treaty/agreement has to be presented).

The employer has a duty to report the starting of the job of a foreigner to the local labour office within 7 days.

Employment relations in Slovakia are regulated by the Labour Code (Act No 311/2001 Coll.) and the Act on Employment Services (Act No. 5/2004 Coll.) which can be searched for in the on-line legislation database <http://jaspi.justice.gov.sk> (the website is in Slovak only)²¹.

3.3.1 When is a work permit not required?

A work permit is not required in case

- you have been granted the temporary residence permit for **the purpose of study** but the employment cannot exceed **10 hours per week** or the corresponding number of days or months per year,
- you have been granted a temporary residence permit for **the purpose of research and development**, but only for employment related **to lecturing** and this employment cannot exceed 50 calendar days in a calendar year,
- you are a **pedagogic employee, academic employee at a higher education institution, scientific, research or development worker**, participating in a **professional scientific event** or an artist participating in an artistic event; whose employment on the territory of Slovakia does not exceed **7 consecutive calendar days** and a total of **30 calendar days** in a calendar year,

this treaty the work permit is not required,

- you have permanent residence permit on the territory of the SR,
- you have been granted a temporary residence permit for the purpose of **family reunion** - under special provisions to be consulted directly with the labour office.

3.3.2 Easier conditions for granting work permit

Easier conditions apply when the district labour office does not take into consideration the current situation on the Slovak labour market when granting a work permit. It is the case:

- if you carry out a **constant teaching or research activity as a pedagogic employee or an academic employee at a higher education institution, or as a scientific, research or development worker**,
- if you are to be employed for the purpose of further training (internship), not longer than for a period of one year,
- if you are not older than 26 years of age and you are employed casually or on part-time basis within school exchanges or within a youth program, in which the SR participates,
- if stipulated in an international treaty, which is binding for the Slovak Republic and published in the Law Code of SR.

3.3.3 How to obtain a work permit?

You may apply for the work permit yourself (in person or via mail) or you can authorize your future employer by the letter of attorney to apply on your behalf (the letter of attorney has to be officially verified by a Slovak notary). The application for a work permit is submitted to the labour office according to the territorial competence corresponding to the location of the future employer.

Complete application consists of the following documents:

- **2 x filled-in form “Work Permit Application”** that also contains the written **“Employer’s Promise to Employ a Foreigner”**. The employer confirms by signature and stamp that after obtaining the work permit it will employ the applicant,

- official authorization with your signature verified by a Slovak notary in case you want the employer to submit the application on your behalf.

3.4 Duties after arrival to Slovakia

Besides duties connected with visa and residence permit (for details consult the “*Navigation*”, page 2), each third country national is obliged **to report the stay** to the foreign police office **within 3 working days** since arrival to Slovakia. This is usually made by the accommodation provider, if you are staying in a hotel, hostel or dormitory. If accommodated in private (e.g. in a private rented flat or at a friends’ place), you have to submit the Notice of stay in person directly at the respective foreign police office (the *list of foreign police offices* can be found on page 38).

What do you need for the report of stay?

If accommodated in private, come in person to the foreign police office during the office hours and present the following:

- ✓ **filled-in form “Notice of the stay”** (available in 7 languages to download here www.minv.sk/?pobyt-cudzinca; must be filled in Slovak language),

4. Bringing family members with you

4.1 Procedures for family members of EU/EEA/Swiss nationals who come from third countries

Special rules apply to family members of EU/EEA/Swiss nationals who come from third countries. Entry and stay rights differ according to whether they are travelling with/joining the EU/EEA/Swiss national or they are travelling alone. According to the current regulations, a family member of the EU/EEA/Swiss national is understood as the third country national that is:

(a) to (g) in relation to the Slovak Republic national.

If entering the Schengen Area from a third country, a family member may have the obligation to obtain visa to enter the Schengen Area. In this case, a family member can apply for visa at a respective embassy or consulate (visa shall be issued within 15 days) or directly at the border, where the family member enters the Schengen Area. For details about visa procedures see chapter “*Visa - Application for Schengen Visa*”, page 10.

If coming from a member state of the Schengen Area, a family member accompanying/joining an EU/EEA/Swiss national is not required to have a visa when entering the Slovak Republic. If he/she comes alone the visa may be required.

A family member of the EU/EEA/Swiss national who is a holder of a valid travel document can stay (without any further obligations) in the Slovak Republic territory **during 90 days from the date of entry** into territory of the Slovak Republic, if she/he accompanies or joins the EU/EEA/Swiss national whose family member she/he is. The beginning of stay in the Slovak Republic territory shall be reported by the family member of the EU/EEA/Swiss national at the respective foreign police office within 10 working days from the date of entry into the territory of the Slovak Republic.

When a family member is **staying in Slovakia longer than 90 days**, he/she has to apply for the issuance of a document called “**Residence Card of EU Citizen Family Member**” at a foreign police office within 30 days after the 90-day period from the date of entry into the territory of the Slovak Republic.

- ✓ **confirmation about the registration** of the residence of the **warrantor**.

Fees²²: 4.50 € for the residence card

Note: For family members of nationals of the Slovak Republic, who are third countries nationals, different procedures apply.

5. Other practical information

5.1 Foreign Police Offices in Slovakia and their territorial responsibility

Note: The foreign police staff communicates in Slovak only, so if you think that you will not be able to communicate with them somehow, have somebody to go with you. Also, the queuing time at the foreign police office can be very lengthy. People usually come early in the morning to take an appointment number card, and it might happen later during the day that there will not be any more appointment number cards available, so those without one will have to come back another day. In Bratislava, it is strongly advised and agreed with the foreign police department to take advantage of Wednesday afternoon office hours.

EURAXESS Slovakia

Researchers' mobility made easier

Slovakia joined EURAXESS, the initiative of the European Commission through SAIA in 2004.

Researchers in all their career stages who have questions concerning their research mobility, international or intersectoral, can contact our EURAXESS Service Centres in SAIA offices located throughout the country (in Bratislava, Nitra, Žilina, Banská Bystrica, Košice and Prešov).

EURAXESS aims to facilitate mobility by removing obstacles connected to legislation and administrative duties (visa and residence, social security, taxation, recognition of diplomas), but also related to social and cultural aspects. You can consult EURAXESS Slovakia website at www.euraxess.sk. It is a part of the European network of EURAXESS websites, which exist in 38 countries. They are all connected with the European EURAXESS Researchers in Motion portal <http://ec.europa.eu/euraxess>. Funding of the national network of service centers is provided mainly from the resources of the Ministry of Education, Science, Research and Sport of the Slovak Republic. Activities of the EURAXESS network on the European level are funded from the European Commission.

All the services are offered free of charge.

EURAXESS consists of four main initiatives:

JOBS is a simple, free of charge tool. Researchers can find a pool of constantly updated information on job vacancies, funding opportunities and fellowships throughout Europe and publish their CVs available to registered research organisations. On the other hand, research organisations can publish their research job vacancies;

SERVICES is a network of more than 200 Service Centres located in 40 European countries. These centres provide free personalised assistance and help researchers and their families plan and organise their move to a foreign country;

RIGHTS provides mainly information on the rights and duties of researchers, as well as research and funding organisations arising from The European Charter for Researchers and Code of Conduct for the Recruitment of Researchers;

LINKS is a networking tool for European researchers working outside Europe. It is established in Brazil, China, India, Japan, North America and the ASEAN countries.
